

52 Week Bible Reading Plan

Created by Ryan M Marks, Gen1toRev22.com

There are 52 weeks and 66 books of the Bible. This plan paints a picture of how you can break down reading through the Bible in one year. Feel free to move weeks around and adjust to what works for your season of life. I'd suggest keeping a journal handy and also sharing passages that you are impacted by on social media.

Psalms and Proverbs are not included, as I would suggest reading through Proverbs in a month with 31 days and Psalms over the course of half a year. Alternatively you could read Proverb through monthly and Psalms twice per year.
